

What information do I require before I start?

Although you can amend your submission up until the closing date, before submitting an abstract it is useful to have the following information ready:

- Abstract Details
 - Title
 - Abstract format (Oral and/or Poster presentation)
 - Details of author & co-authors
 - Salutation
 - Firstname
 - Lastname
 - Organisation
 - Email address (if you do not have this please enter your own email address as this is a mandatory field)
 - Main body of abstract (min 20 words max 250 words)
 - Word count will vary depending on the application you are using. If you choose to copy and paste from another application (e.g. Word) this may affect the compatibility of the word count. In many cases copying and pasting will work however the best way is to enter text directly into the box.
