

BAA HEADS OF SERVICE – CPD, study ideas and remote activity

The first thing BAA can offer members is access to all the 2019 conference presentations to watch online. Members can [click through](#), register and watch presentations covering many different areas of Audiology. Paediatrics, workforce discussions, balance, cochlear implants, internet-based interventions, adult rehab, career development and much more feature in 49 different presentations across the three tracks. You can even make a playlist of favourites that you want to watch and watch the awards presentations! Access all 49 presentations [here](#).
