Audiology Planet

The Ultimate ABR and Paediatric Fittings Course

Our most famous Paediatric Audiology Course is going to be online this year: 25 to 27 June 2020 with Marlene Bagatto, Josephine Marriage, Jason Smalley & Jay Jindal. The course will cover paediatric assessment (VRA, play audiometry, otoacoustic emissions, auditory brainstem responses), and verification and validation of paediatric fittings. Click on the link below for more information.

Help with a PhD project: Can you help a BAA board member who is undertaking a critical exploration of the lived experience of audiology professionals in the United Kingdom. Click on the link below to take the survey.

[Take the survey](#)

What do you think about telehealth for audiology following Covid-19? A survey is being conducted to help understand the perceptions of hearing care professionals regarding telehealth (delivering health-related services via telecommunications and virtual technologies), and how such services are being provided in audiology. For more info and to take the survey click on the link below.
