Students Aloud. As we come to the end of another academic year – in a year like no other – 2nd and 3rd-year students from Aston University in Birmingham and De Montfort University in Leicester have taken the time to share their thoughts, experiences, hopes and aspirations. Hear from our students in the link below.

Member support. We continue to provide a host of information and support to our members and the wider audiology profession, through our web pages. In the Covid-19 pages, you will find all the remote working guidance, heads of services webinars, CPD resources, SOPs and letters from departments who are working remotely or have opened again. Have a look through.

Other News

BIHIMA stats. The British and Irish Hearing Instrument Manufacturers Association (BIHIMA) has released the Q1 2020 results of its members, providing insight into how the UK and Irish hearing care market fared in the first three months of 2020 as we entered lockdown.

Action on Hearing Loss. Crystal Rolfe from AoHL joined our BAA Online webinar last week to remind members of the support Action on Hearing Loss can provide to our patient population whilst services are working to get back to 'normal'. More people are working on the support lines during Covid-19 for trouble shooting, befriending and more.
