# AGENDA

HYPATIA  
— TRAINING —

### Day Three

#### Morning

9.00-12.00: Mini-Workshops - **To Be Finalised**

Example Workshops

fHIT

Virtual Reality,

Eye Movements,

Paediatric Clinic,

Lab Testing,

Technology for Rehabilitation

**Afternoon - Submit your Abstract**

*Together  
We Can!*

Are you conducting research or your department doing amazing things for Vestibular Patients we have 7 Abstract spaces available for you to disseminate the information.

All Abstract attendees may attend for a delegate rate of £300 & be in with a chance of winning a prize from the sponsors

Hypatia Training's ethos is that small groups for learning are optimal. We have tried to introduce as many mini-workshops as possible throughout the agenda, so that delegates learn in small working groups. These small groups usually lead to a better learning and a more bespoke experience.
