

Thursday 13 October 2022						
	Exchange Auditorium	Exchange Rooms 8/9/10	Exchange Room 11 Technology Track	Exchange Room 1		
08:45 – 09:10	Exhibition & Poster Viewing Exchange Hall					
09:10 – 09:20	<i>Moderator: Kathryn Lewis</i>					
	Conference Opening Kathryn Lewis President, British Academy of Audiology					
	Adrian Davis Lecture Hearing loss and cognition. From epidemiology to clinical trials Dr Sergi Costafreda Gonzalez Associate Professor, Mental Health of Older Adults, Division of Psychiatry, UCL Camden & Islington Foundation Trust					
10:05 – 10:15	A tribute to David Baguley Delivered by Kevin Munro					
10:15 – 11:00	Refreshments, Exhibition & Poster Viewing Exchange Hall					
11:00 – 12:50	<i>Moderator: Kathryn Lewis</i>					
	11:00 – 11:45 Keynote Lecture The auditory brain - from sound to meaning Professor Sophie Scott CBE Director, Institute of Cognitive Neuroscience, University College London					
	5 minute break					
	<i>Moderator: Saima Rajasingam</i>		<i>Moderator: Keiran Joseph</i>		<i>Moderator: Heather Dowber</i>	
	11:50 – 12:20 Innovation and opportunity: Advances in patient-reported outcomes for hearing health Dr Sarah Hughes Research Fellow, Centre for Patient Reported Outcome Research, University of Birmingham, Birmingham, UK		11:50 – 12:20 Auditory Processing Disorders: a neuroscience informed diagnostic approach and update Professor Doris-Eva Bamiou MD MSc FRCP PhD Professor in Neuroaudiology & Honorary Consultant in Audiovestibular Medicine, UCL Ear Institute & UCLH		11:50 – 12:20 <i>Sponsored by GN Hearing UK Ltd</i> SSD patients: data and management Rachel Knappett Head Of Adult Auditory Rehabilitation, CUH NHS Foundation Trust	
12:20 – 12:50 Setting Hearing Aids for Older Adults: what can we learn from the literature and what do audiologists currently do? Dr Richard Windle Senior Clinical Scientist, Royal Berkshire NHS Foundation Trust		12:20 – 12:50 Auditory Processing Disorder (APD): Latest developments and advances in assessment and management Professor Nicci Campbell Professorial Fellow (Enterprise), University of Southampton		12:20 – 12:50 <i>Sponsored by Signia</i> Signia supporting you - including help with IQIPS 2 Alison Webb, Product & Marketing Manager & Julia Van Huyssteen, Head of Audiology, Signia		
Personal & Professional Development stream – BAA						

12:50 – 13:50	Lunch, Exhibition & Poster Viewing Exchange Hall			Personal & Professional Development stream – BAA
13:50 – 14:20	<p>British Academy of Audiology Annual General Meeting BAA Members Only</p>			
14:20 - 16:10	<p><i>Moderator: Saira Hussain</i></p>			
	<p>14:20 – 15:05 Keynote Lecture Psychological approaches to supporting those experiencing vestibular symptoms Dr Zara Jay Clinical Psychologist, University College London Hospital and Great Ormond Street Hospital</p>			
	5 minute break			
	<p><i>Moderator: Dawn Bramham</i></p>	<p><i>Moderator: David Maidment</i></p>	<p><i>Moderator: Rebecca Anderson</i></p>	
<p>15:10 – 15:40 Non-Vestibular sources of dizziness/imbalance in older adults Dean Metz Vestibular Specialist Physiotherapist / Chair ACPIVR (Association of Chartered Physiotherapists interested in Vestibular Rehabilitation)</p>	<p>15:10 – 15:40 Tired of listening: Understanding the relationship between hearing loss, hearing aid use and daily-life fatigue Dr Jack Holman Medical Research Foundation Fellow, Hearing Sciences – Scottish Section, School of Medicine, University of Nottingham</p>	<p>15:10 – 15:40 <i>Sponsored by Cochlear</i> Hearing implants: the next step Lisa Robertson, Rashmi Singh, Sahresh Akram, Michelle Chung & Vicky Soobrayen Engagement Team, Cochlear</p>		
<p>15:40 – 16:10 Alternative Management for Dizziness-Related Anxiety Mahdiyya Dharas Vestibular Audiologist and Director, Dizzy Ears</p>	<p>15:40 – 16:10 Understanding effortful listening: the role of the listener’s motivation Dr Rebecca Millman Lecturer, Manchester Centre for Audiology and Deafness, University of Manchester</p>	<p>15:40 – 16:10 <i>Sponsored by Signia</i> Audiology led wax management: A round-table discussion Julia Van Huyssteen, Head of Audiology, Signia</p> <p>Kath Lewis Head of Audiology at Manchester University NHS Foundation Trust</p> <p>Claire Benton, Head of Audiology at Nottingham University Hospitals NHS Trust</p> <p>Mark Newman, Head of Department at BHRUT NHS Trust</p> <p>Nicola Phillips, Principal Clinical Scientist at Swansea Bay University Health Board</p> <p>Nora Macdonald, Acting Adult Lead Audiologist at South Eastern Health and Social Care Trust</p>		
16:10– 16:40	Refreshments, Exhibition, & Poster Viewing Exchange Hall			
16:40 – 17:40	<p><i>Moderator: Barbara Gregg</i></p>	<p><i>Moderator: Rosalyn Parker</i></p>	<p><i>Moderator: Jason Smalley</i></p>	
	<p>16:40 – 16:55 Hearing Assessment as part of a Memory Assessment Service Pathway Susannah Goggins Principal Clinical Scientist, Betsi Cadwaladr University Health Board</p>	<p>16:40 – 16:55 How’s what sound? Perceptual shortcomings in current hearing-aid personalisation Dr William Whitmer Senior Investigator Scientist, Hearing Sciences - Scottish Section</p>	<p>16:40 – 17:10 <i>Sponsored by Oticon</i> A game-changing approach to preserving gain and preventing feedback in Oticon Optim Dr Susanna Løve Director of Clinical Audiology, Oticon</p>	
	<p>16:55 – 17:10 Audiology, Learning Disabilities and Autism Project Siobhan Brennan</p>	<p>16:55 – 17:10 Embedding Quality Assurance as Routine Practice; Moving On from IQIPS Accreditation Ruth Vickerstaff</p>		

	Lecturer And Clinical Scientist, Manchester Centre For Audiology And Deafness	Principal Audiologist, Guy's and St Thomas' NHS Trust		
	17:10 – 17:25 Promoting sensory health and awareness in dementia Jenna Littlejohn Research Fellow, Manchester Centre for Audiology and Deafness (ManCAD)	17:10 – 17:25 Development and Evaluation of an All Wales Audiology Preceptorship Programme Linor Jones Principal Clinical Scientist, Betsi Cadwaladr University Health Board	17:10 – 17:40 <i>Sponsored by Natus</i> When can I stop averaging? The advantages and limitations of Bayesian averaging, artifact rejection, residual noise values and Fmp calculations Robert McLeod Clinical Trainer, Natus	
END OF DAY 1				

Friday 14 October 2022				
	Exchange Auditorium	Exchange Rooms 8/9/10	Exchange Room 11 Technology Track	Exchange Room 1
08:45 – 09:30	Exhibition & Poster Viewing Exchange Hall			
09:30 – 10:30	<i>Moderator: Louise Jenkinson</i>	<i>Moderator: Ruth Bannister</i>	<i>Moderator: Susannah Goggins</i>	Personal & Professional Development stream – BAA
	09:30 – 09:45 Hearing difficulty is associated with reduced physical activity: A 20-year cohort study from the English longitudinal study of aging Maria Goodwin Doctoral Researcher, Loughborough University	09:30 – 09:45 Hyperacusis in children: clinical perspectives Iskra Potgieter PhD Student, University Of Nottingham	09:30 – 10:00 <i>Sponsored by Oticon</i> Understanding the developing auditory system: A new hearing technology to support the learning and communication for children PhD Elaine Hoi Ning Ng Principle Researcher, Oticon	
	09:45 – 10:00 Hearing loss and deprivation: A Welsh population study Jack Allum Clinical Scientist – Audiology, Swansea Bay University Health Board	09:45 – 10:00 Development and recording of vestibular rehabilitation videos for children Debbie Cane Audiology Lecturer/Senior Clinical Scientist, Manchester University/ Withington Community Hospital	10:00 – 10:30 <i>Sponsored by GN Hearing UK Ltd</i> Music and Hearing Instruments: Fitting to a New Tune Dr Megan Quilter Lead Audiologist, GN Hearing A/S	
	10:00 – 10:30 A practical guide to BCI and MEI referral criteria and patient outcomes Andrew Soulby Principal Clinical Researcher (Audiology), St. Thomas' Hearing Implant Centre	10:00 – 10:30 What's in your toolkit? Resources for managing tinnitus in children Claire Benton Consultant Clinical Scientist (Audiology), Nottingham University Hospitals NHS Trust		
10:30 – 11:15	Refreshments, Exhibition & Poster Viewing Exchange Hall			
11:15 – 13:05	<i>Moderator: Samantha Lear</i>			
	11:15 – 12:00 Keynote Lecture Supporting quality of life through sensory health in people with dementia Professor Iracema Leroi Associate Professor of Geriatric Psychiatry, Global Brain Health Institute, Trinity College Dublin, Ireland			
	5 minute break			
	<i>Moderator: Hemna Santilale</i>	<i>Moderator: Claire Benton</i>	<i>Moderator: Laura Finegold</i>	

	<p>12:05 – 12:35 Cloud-based follow-up Adam Beckman Head of Audiology Services University Hospitals Plymouth NHS Trust</p>	<p>12:05 – 12:35 Improving your new-born ABR assessment Jason Smalley Specialist Audiologist, Nottingham University Hospitals NHS Trust</p>	<p>12:05 – 12:35 <i>Sponsored by Cochlear</i> All you wanted to know about Osia® but were afraid to ask: panel discussion hosted by Lewis Vaughan Jones, Chief Presenter, BBC Global News and Osia recipient</p>	<p>Personal & Professional Development stream – BAA</p>
	<p>12:35 – 13:05 Patients travelling to the CI clinic? Not so much anymore ... Professor Helen Cullington Clinical Scientist (Audiology) University of Southampton Auditory Implant Service</p>	<p>12:35 – 13:05 Assessing children behaviourally, when to think outside the box and when to stay inside! Keiran Joseph Clinical Lead, Guy's and St Thomas' NHS Foundation Trust</p>	<p>12:35 – 13:05 <i>Sponsored by Natus</i> Six Flavours of Frequency Lowering Robert McLeod Clinical Trainer, Natus</p>	
<p>13:05 – 14:05</p>	<p>Lunch, Exhibition & Poster Viewing Exchange Hall</p>			
<p>14:05 – 15:45</p>	<p><i>Moderator: Samantha Lear</i></p>			
	<p>14:05 – 14:50 Hearing implants: the next step, not the last resort. My Cochlear™ Osia® experience Lewis Vaughan Jones Chief Presenter, BBC Global News and Osia recipient <u>British Academy of Audiology Awards Ceremony, Prize Giving and Passport Competition</u></p>			
	<p>14:50 – 15:35 Bamford Lecture Neuroscience of hearing & language: The importance of early access to sound Dr Paul Johns Consultant Neuropathologist and Reader in Clinical Neuroanatomy, St George's University Hospitals NHS Foundation Trust and St George's, University of London</p>			
	<p>15:35 – 15:45 Closing message Samantha Lear President, British Academy of Audiology</p>
